Acting up at ACDC Concert

Proving their youthfulness and that you're never too old to love rock and roll Oak Tree resident Judy Hopper and her sisters kicked up their heels and had a girls night out at the recent ACDC concert held in Melbourne.

Part of a four day holiday the concert was the highlight of the trip, says Judy who resides at the Oak Tree Village in Cairns.

"We were there with 60,000 other crazy fans."

"It was awesome! We laughed so much we got Melbourne cough.

"One funny incident was when a few young guys asked us if we were "Cougars" - "Sadly, No." said I. "We are "Cougar trainers!"

Seemingly many Oak Tree Cairns residents have caught the travelling bug with others travelling to New Zealand, Uluru and Sydney recently.

Good on them says Village Manager, Mary Woods.

"Our residents are out there living life and having a good time; that's what life is all about; that's the care-free lifestyle we aim to support at Oak Tree," said Mary.

Ending her concert experience Judy had a getaway plan to avoid the crowded stadium:

"I came across a wheelie bin, started pushing it and yelling out "Excuse me – coming through!" - Strangely, the crowd parted!"

"We were thunderstruck by our Melbourne experience," said Judy who is already looking forward to another holiday.
